ONI DECLASSIFICATION/RELEASE INSTRUCTIONS ON
FILE

Dear Mr. Baird

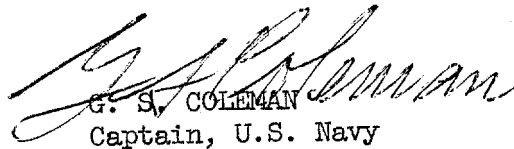

25X1A
The Naval Intelligence School's 1960 curriculum again includes instruction and practical application pertinent to the Travel Folder Program. Past experience has revealed that an introductory presentation by a member of the Central Intelligence Agency greatly enhances the School's instruction with regard to the program. In the recent past, the Agency has been most cooperative in providing the able services of [redacted] for this introductory lecture. Although it is understood that [redacted] is not available this year, it would be greatly appreciated if another member of the Agency could be made available.

25X1A
A period of fifty minutes, commencing at 0830 on Friday, ²⁵~~22~~ April 1960, has been tentatively set aside to introduce the Travel Folder Program to the School's current Postgraduate Class. The class consists of thirty-one officers, all of whom are cleared for access to Top Secret material.

Hoping for your favorable consideration, I am

Sincerely yours,
